NTT東日本グループ

April 1<sup>st</sup>, 2024

NTT e-Asia Corporation

NTT e-MOI Joint Stock Company

## Announcement of Subsidiary's Company Name Change

OCG Technology JSC (Headquarter: Hanoi, Vietnam, CEO: Mr. Watanabe Akira, hereafter referred as OCG), the subsidiary of NTT e-Asia Corporation, changed the company name to “NTT e-MOI Joint Stock Company” (hereafter referred as “NTT e-MOI”) on April 1<sup>st</sup>, 2024.

### 1. The reason of the company name change

The former OCG became a consolidated subsidiary of NTT e-Asia Corporation in November 2023 to expand the software development organization of the NTT East Group<sup>\*1</sup>. As a member of the NTT East Group, we have changed the company name in order to improve our corporate recognition both in Japan and overseas, as well as to further promote social innovation in Southeast Asian countries.

In addition, we would like to announce that since April 1<sup>st</sup> the company move to the new address.

\*1: "NTT e-Asia made OCG Technology JSC a consolidated subsidiary" (November 10, 2023)

[https://www.ntte-asia.co.jp/en/pdf/20231110\\_EN.pdf](https://www.ntte-asia.co.jp/en/pdf/20231110_EN.pdf)

### 2. Overview

New company name	NTT e-MOI Joint Stock Company
Change date	April 1 <sup>st</sup> , 2024
New address	Room 1401, 14 <sup>th</sup> floor, Indochina Plaza Building, 241 Xuan Thuy, Dich Vong Hau, Cau Giay, Ha Noi, Viet Nam
Representative	CEO Mr. Watanabe Akira
Main Business	Software development in low code platform, BPO/ITO, etc.
Website	<a href="https://ntte-moi.com/">https://ntte-moi.com/</a>

※There are no changes about the representative and the main business of the company.

### 3. The meaning of the company name

In Vietnamese "MOI" means "new". "e-MOI" can also be called as "em oi", which is also a common way of calling a person in Vietnam. With these meanings, the new company name creates a sense of closeness, and reflects our strong desire to be a company that continues to provide new values to society.
